## About BrainSAIT Document Templates

BrainSAIT Document Templates provide a comprehensive suite of professional, HIPAA-compliant, bilingual business documents designed specifically for healthcare technology organizations operating in Saudi Arabia and the MENA region.

### Key Features:

- Fully bilingual (Arabic/English) with RTL/LTR support
- HIPAA-compliant document structures and security classifications
- NPHIES-ready templates for healthcare providers and insurers
- Professional glass morphism design with BrainSAIT branding
- Automated generation with customization options
- Version control and audit trail capabilities

## Document Categories
